Request for Continuation of Enrollment in Non-degree Status (conditional or regular)
(Policy 14-10)

Student: Please complete this student section of the request and submit it to the undergraduate coordinator of the major from which you are requesting support. Departmental and college support must be obtained to enable you to continue to enroll in Penn State courses. If you obtain departmental support, the department will forward this request to the Assistant Dean for Student Services for approval. If approved, your registration status will be adjusted to enable you to enroll in Penn State courses in subsequent semesters, unless you fail to meet the conditions specified by the department and/or college.
