

## RETURN FROM SUSPENSION: COLLEGE OF ENGINEERING

When a student's cumulative grade point average (CGPA) falls below 2.00, the student is placed on academic warning ([Senate Policy 54-20](#)). When a student on academic warning earns a semester grade point average (GPA) of less than 2.00, the student is then placed on academic suspension ([Senate Policy 54-40](#)). A student who has been academically suspended may not schedule courses at the University for two consecutive semesters (Note: Summer session is equal to one semester and includes all courses offered after Spring semester and before Fall semester).

*Example: A student on academic warning, who earns a Spring 2021 semester GPA below 2.00, then placed on academic suspension, may not return to Penn State until Spring 2022.*

A student seeking to return from academic suspension must apply for re-enrollment (as defined in [Senate Policy 58-00](#)) and returns to the University in warning status, with their former CGPA, and with a registration hold placed on their record.

Students seeking re-enrollment to the College of Engineering must write a Letter of Request with the following information:

- What events transpired that impacted your academic work
- What have you been doing/plan to do during your suspension from Penn State
- What will you do differently if you return to Penn State to help you reach your academic goals
- What is your current academic goal/plan
- What campus services could be useful to you during your time at Penn State
- Any documentation that you think would be helpful to explain your situation (i.e., medical documentation or unofficial transcript from courses you took while suspended)

Students must also submit their [re-enrollment form](#) the University Registrar.

Please submit your Student Request Letter to the Engineering Advising Center, 208 Hammond, University Park, PA 16802; via email [kms86@psu.edu](mailto:kms86@psu.edu); or via fax to 814-863-7496.

**All forms must be received by the following deadlines:**

***Returning for Spring 2022 semester: December 17, 2021 (classes begin January 10, 2022)***

***Returning for Summer 2022 semester: April 22, 2022 (classes begin May 9, 2022)***

***Returning for Fall 2022 semester: August 5, 2022 (classes begin August 22, 2022)***
